Still Remembering
Parents I now take my
Pen in hand to inform you
that I am well and unhurt
although one bull struck within
one foot of me Yesterday about
one o'clock a party of Robbers &
Horse Thieves came into town
and arrested a number of Citizens
to prevent giving alarm entered
all the banks took what money
there was in them then proceeded
to the Livery Stables and took
what horses they could find
stopped men on the Street and
took their horses away from them
if any man resisted their progress
they were shot down which was the
case with (2) two men one of them
they think cant live
