My dear Sister

You will see by
the above that I am at home
Came up on the night train
from Montreal Saturday night
How is every thing there. I will
doubtless be there to attend Co. Court
and if Craig sees Powers tell him
I want him to take up my case
in behalf of the state whether I
come or not for it can be done
as well if I am not there If any
thing turns up worthy of note
come to Georgin & telegraph to
Beut My face is pretty sore but
doing well What do folks say
about my going away I.C. writes
in receipt of This Yours &c E. Deane
