My dear Sister

Why dont you drop me a line and let know what you are doing

Will Leroy get the account I sent him last Thursday if so tell him to attend to them at once and all the rest of my matters for we intend to start next Monday for Cal. or somewhere

Does Leroy want me to take all the money Bent gets for sugar if so tell him to send me an order to that effect for Bent is so exact - you know I have not got the \$78.40 yet that I sent the receipt for He said you sent the trunks etc if not send them by next
