July 2^d 1873,

My dear Sister

Your favor of June 23^d came to hand yesterday and I was glad to hear from you and of your good health &c. As for us we are well in fact Billie's health is better than when we left Ft. I think the climate will agree with her and as for Charlie he is as tough as a child can be. I have been at work in a Barber Shop for the past week at 75. Dollars per month and told myself this is the first thing I have struck but I am in hopes to do better very soon
