

Conom Okalik went home last
Monday and could hardly spend
time to visit us

Sunday Jan 30th 1876

Dear Brod Sister

Henrietta's letter of
last Monday came direct to us and
I was surprised to hear that you had
not received the matches that you
bought of Cushman. You wrote
me the fore part of winter or in the
fall that you had not received the
matches and the next day I called
at the shop and stated to Mr. C
that you had not recd. them and
he assured me that he shipped them
long before or at the time agreed
upon. So upon this I thought
that perhaps the box was delayed on
the R.R. and hearing nothing from
you to the contrary until last Monday
