Tuesday morning

Katie,

I will send you two dollars
by Mr Barton; we intended to
have gone to the Boro last night
and got your shoes but Ida
is sick and I could not
get away, her mother came
last night so I shall not have
the care of her now.

Papa expects Mr Pearl down
to day and I may send your
wrist- up by him to see if it
is all satisfactory.

In haste

Mamma

I guess Carrie will come up
as you proposed, dont know
if we shall come or not.
