My dear Kate:-

Looking over  
my papers today I found these  
report cards. I should so like  
to keep them but know you will  
want them.

I am so glad you and Miss P.  
have the school for my mind  
will be easy in that score.

I was very tired Sat. night  
when I reached home but am  
getting rested. The Dr. says  
if I am careful and keep on  
gaining I shall be stronger,  
tougher and uglier by fall
