Dear Katie

As I could  
not possibly come down  
to day thought I would  
do the next best - &  
write to you. The roads  
are so bad it is liable  
to break a horses limbs  
I would if done as  
you proposed & gone  
down on the train but  
Mr Buck was gone  
& I could not leave  
but if it will be all  
right - I will come down  
next Saturday night  
if the sleighing is fair  
this is one lovely
