

Boston Sept. 12. 1857.

Mr. Marsh My dear Sir

Our picture will be ready for the inscription within a week. I ought to have talked the matter over when the commissioners met but neglected to do so. I have thought the matter over and think the following to be a proper inscription. Please amend as you think best.

Vermont Capitol Montpelier

Thomas C. Powers Supt.	George S. Marsh.	} Building Commissioners
Thomas W. Sillway Archt.	John Porter	
	Norman Williams	

The lettering would be done in accordance with the taste of the lithographer. The names of course would be in fine, and unpretending type. I shall send a copy of this to your address at Burlington & Woodstock so that I may hear from you immediately.

I am yours very truly
Thomas W. Sillway

Hon. G. P. Marsh.
