Bretton Mass July 14

Dear Wife

I send you
my Photographs and
you may take out mine
of one frame and put Elsie's
in it and give the picture
without the frame to Mother
I would have bought another
frame but I am rather
short for funds and I
will not for the present
You may send the
small ones to whom
you please and all
will be right - We leave
tomorrow morn but
when for I dont know

Yours in haste
W. J. Berry
