My dear Wife :

I am a
great deal disappointed tonight
in not getting a letter from
you - I did not get one last
night & expected one tonight -

There has been time for a letter
to come from Charleston here
since I wrote you directing to
C - I want to know if you
are really coming next week -

My home is in good com-
fortable condition & we shall
have a good time while we
stay here & the prospect is that
we shall be here thro' the
winter - At any rate I want
you to come right along
