Dear Mother

I am in good health
at present although I have been
wounded in the head be not
alarmed for me for I am a getting
along first rate I am at work in
the Hospital in this City I am in
the Cook room Elbridge is wounded
quite severe the ball passed
through his leg but he is quite
lame I think that he will
be well in three or four month
George and Emory were both hit
but not very bad I was hit
in the head right over the ear
Capt Buck was wounded in
the low place you no fit
