Snickers Ferry July 5th

Dear Mother Sisters and
Brothers I received two papers
from you the 6th I wrote to you
the 27th June. We expect every day
to have the Ferry to go toward
Harrisonburg We get news from
Richmond every day, heard lately
that old Stone Wall was killed
hope we shall not hear any more
from him though would like to
try him with the force we have in
the Valley now our four Companies
have took no less than fifteen
Prisoners since we have here they had
hired out to the Farmers and were
going to wait till Jackson come
back they say that Jacksons Army
went through the gap at New Market
down the Luray Valley and out at
