

Headquarters First Separate Brigade,

EIGHTH ARMY CORPS.

July 14 1864.

My Dear wife

We are  
under marching orders  
again this morning - are to  
take the care for Washington  
do not know when we go  
to from there - the Rebs  
have gone back over the  
Potomac and I expect we  
have got to follow them  
again towards Culper.  
will write after boys  
all well -

As ever William
