Camp at Clifton Farms V. C.  
September 14<sup>th</sup> / 64

Dear Colonel.

I arrived from the Hospital at Annapolis and joined the Regiment at Charlestown on the 28<sup>th</sup> of August - nearly well and found that you was about sick and since have learned that you was dangerously sick in Vermont - and hope this will find you better.

The Boys are well comparatively very few cases of sickness, as far as I can learn, Corporal Foster has returned but not fit for duty, Serge-Dane arrived on Sunday not looking any better than when he left, Capt. Parker is on court-martial as usual and I am Chief Cook and all hands, we have Battalion Drill from 9 to 11 in the morning and from 2 to 4 in the afternoon Squad Drill, it does not look as if we were going to have much to do in this valley and think it would please in the 2<sup>d</sup> Division an out-an-a-means done and are having some fighting but have not heard anything from it - I left Lieut. Boyce at Annapolis comfortable
