Bro. William

Mom of the girls here - I was glad to hear from you - I am truly glad if Gov. H. has fixed it so I can get away from old W.L., I hope he will conclude to give me the 11th if he dares I will do something for you - One thing might be used to the Gov. in my favor is the fact that Gen. Braxton in his report of the battle of Savage Station mentions my name handsomely, & did not mention the name of any other Officer in this Regt. - that would help me if Frederick knew it - if there is anything you can do or say for me do so & I will make it all right - I am on the point of a big move here - can't tell what it is, you will hear in few days - The Box has not come to hand yet - it will around all right I have no doubt - thank you for it - Dr. Sawin sends his regards - Write as soon as you get this & let me know if you hear anything - I will send a recommendation for you ^{to} Gov. H. signed by self & others - will send it by this mail.

Truly Yours
C. H. Joyce
