

Letter No 26

Branch Station Va. Nov. 27th / 64

Dear Parents & Brothers;
I recd your letter dated
the 20th 2 day ago. & as today is
Sunday & I have not much to
do I will answer it. I am well
& tough & hearty. The weather
has rather changed all this
month, some pleasant days
but cold winds seem to pre-
vail. ~~But~~ we had quite a fall
of snow about the 26th, 6 inches
good, it afforded considerable
sport & made some black
eyes for we had 4 regular
pitched battles, the snow is
all gone now except on the hills
