- I have not been a week from

Mansion House Hospital

Alexandria Va, Apr 9th

My Dear Sister -

C18623

I will write you
a line to day, as I do not feel
like writing a letter, & have nothing
in particular to write. I recd your
paper with letter, of Sunday Apr 6th
to day. I also recd yesterday from
the Regt. the letter which mother wrote
when I was in the Hos. at Camp 3 -
It had the address of Hos. Department
Camp Griffin Va, and contained
three 3 cr. stamps.

It has been raining,
hailing & snowing all together for
3 or 4 days past & to night has
turned cold as the Old Harry.
I know it is warmer in Va. at this
time. The weather has been such
that we could not get out of the
Hos. so we have had to bury ourselves
