My Dear Sister

[1862]

I have written you twice not to write me again at this place, but now I will say that you may continue to direct the same as ever, & I hope you will write often as possible. I got a letter from the Capt yesterday containing some my own & several of the other Coys descriptive lists. - I shall speak to the Sr. now & see what he thinks about my going to N. Now dont make up your mind I shall come certain for you would stand a great chance to be disappointed but it is possible, just possible. If it is as I come or all it
