Aug. 24th 1862.

Dear Homer -

I recd your letter a day or two since and will answer it today as I dont know when I shall find time again. I have been very much disappointed in not seeing you in Yc. before this time. If you do not come immediately now I dont know when I shall see you again. I have enlisted, as also has Ag & Geo Clark. I hope you may conclude to come home at once. George S. is expecting.
