Brattleboro Vt. Sunday Oct 19th
Dear Sister —
I got back to B —
all right & night as well
have stayed at home until
Monday for we have not
done anything but to have
the Co. inspected by Dr. Phelps.
There was one man thrown
out, a man from Springfield
(Gilbert). Phelps said the
commissioned officers of the
Regt would be inspected
tomorrow. — Col. Hazy
told me this morning that
Parks was to be Surgeon, &
he had appointed George A. J.
Surgeon & ordered him to
report at Brattleboro immediately.
