My own darling wife

I can't get  
over a day without  
writing a word to my  
blessed wife. God bless  
you my angel love!

How could you write  
such a good letter -

I got the little one to-day  
& yr Father's. Am sorry  
Capt B. will not come.

I called on the Gov.  
again to-day & he  
seemed anxious to  
hear from him -

He wants to get a  
good man - from  
some source.

Next Monday night
