MEET EETH

Ethan Green is average in every way, except maybe for his dating history, which resembles a survey of famous natural & man made disasters.

Kind of like Waterloo & Three Mile Island & the Hindenberg all rolled up and embodied by one guy's romantic life.

Luckily, he's gotta family of wonderful friends & a smart-aleck cat to help him over heartbreak.

He also has a demanding job as the personal assistant for the city's lowest rated, perpetually inaccurate TV weatherman...

And a mom who would like to fix him up with the podiatrist son of someone she met at PFLAG.

He's glad you're checking him out & hopes to see you again next week here at the Mostly Unfabulous Social Life of Ethan Green...

Tired Guy versus Fresh Guy

Fresh Guy is snickering because Tired Guy doesn't know how to work the phone.

Fresh Guy thinks this is "rully" funny & annoyingly, is making this rully clear.

Tired Guy has had enuff of Fresh Guy's crap. He knows how to work a cell phone, OK? He's just never used one of these flip phones before. Like, big deal.

Tired Guy does however, *does* know how to use a magic wand, like this one here, which he got from a Radical Fairie he once dated.

Tired Guy thinks maybe it's time to send Fresh Guy away. Howzabout a time & place with weird phones.
