# WINTER SEMESTER

R.U.12? Community Center (Are You One Too?) is a charitable organization with the purpose of providing venues for the social, cultural, artistic, and educational endeavors of our gay, lesbian, bisexual, transgendered and allied communities through visibility, awareness, and community building.

Currently there is no permanent, substance free, safe place where GLBT people can go and learn about their history, participate in cultural events, and hold group meetings. At the future center we hope to provide small offices for new groups, internet access, and multipurpose social space where people can meet informally.

#### A Decent Proposal

R.U.1.2? Community Center is currently accepting informal proposals for winter-oriented (or conducive) classes or activities that will be offered during a six-week semester in February and March.

#### SHARE YOUR FLAIR

We need a handful of dedicated and talented individuals who are interested in sharing their knowledge about a particular topic, art form, sport, or musical interest. As a volunteer instructor, you will work with R.U.1.2? to design a class that meets the needs and interests of les/gay/bi/trans people and allies in our community looking for social outlets to chase away the winter woes!

#### IT'S FOR A GOOD CAUSE

Students in your class will pay a sliding-scale tuition that benefits the R.U.1.2? Community Center project.

**Proposal deadline: December 15**
