The CPG strives to reflect the diverse communities that are most impacted by HIV. If you have felt the impact of HIV and want to get involved, please consider joining the Vermont HIV

Prevention Community Planning Group. Share your knowledge, expertise and/or life experience. You will learn a lot, meet some great people, and most importantly, help stop the spread of HIV.

Applications for CPG membership are available and due August 9th, 2002. If you would like to apply or would like more information, please contact Rod Copeland at the VT Dept. of Health at (802) 863-7245.

Pride VT
 Many thanks and love to all those who braved the rain and cool weather to help create an inspiring 20th Pride parade and festival, Saturday June 15. It was truly wonderful to see the many colors of our community transform the streets of downtown Burlington into a carnival atmosphere. Many thanks as well to all the organizations and individuals around Vermont who hosted a wide array of events in their local communities, drawing people together for celebration and education.

This month Pride VT and After Midnight will be hosting "The

Return of the Love Boat" cruise on Lake Champlain, Saturday, August 17 from 7-10pm. With live entertainment and food provided, the cruise is a great opportunity to watch the sunset with friends and make new ones, while out on the water. Tickets are on sale now at After Midnight at the University Mall in South Burlington, Peace & Justice on Church Street in Burlington, as well as online at www.pridevermont.org.

Tuesday, August 27 is the Pride VT Annual Community Meeting. Any and all are invited to attend and give feedback about the June events as well as learn

more about what the Pride committee does in those other months of the year. We hope to see many of you and hear from your perspective. The meeting is at the McClure Multi-Generational Center, 241 N. Winooski Ave, Burlington, and will start promptly at 7pm. For more information about Pride VT, please call Brian at 859-9238 or Kenny at 288-1588. ▼
