## The Mostly Unfabulous Social Life of ETHAN GREEN

by Eric Orner

In a Presidential Palace bedchamber, the Hat Sisters, SECRET UNITED NATIONS DRAG QUEEN OPERATIVES, are giving Saddam Hussein a rub down.

Whoa-- You veiled virgins have great hands..

Very relaxing.

Soon Saddam was snoozing and our harem heroines began casing the joint.

Is he asleep?

Well poke him!

dunno..

Awright Awright, keep your burka on..

He's out cold..

At first nothing impressive turned up.

More like a Dud Missile..

Is it a Scud Missile?

A weapon of Mass Destruction?

Is it radioactive material?

More like a weapon of small erection.

Just a spent rod.

But then, a hidden pocket within the Mother of All Underpants revealed a handful of curious metal cubes, about the size of dice, and stamped with odd symbols.

What? what did you find? Is it something diabolical?

The girls smuggled a sample back to the hotel, where their intern, despite general ineptitude, discovered an important clue:

Intern, rush this sample to the lab for analy..

OH!

Are you smoking hooks in this room?!!

Whut? No Mam

This thingy you grabbed? It says: "If found please return to: Evil Axis Diabolical Weapons Manufactory 666 Nutty as a Fruitcake Street Pyongyang, North Korea".

You can read that?

Had a Korean boyfriend once--Thought he wuz cheating... I learned so I could read his email.
