## The Mostly Unfabulous Social Life of ETHAN GREEN

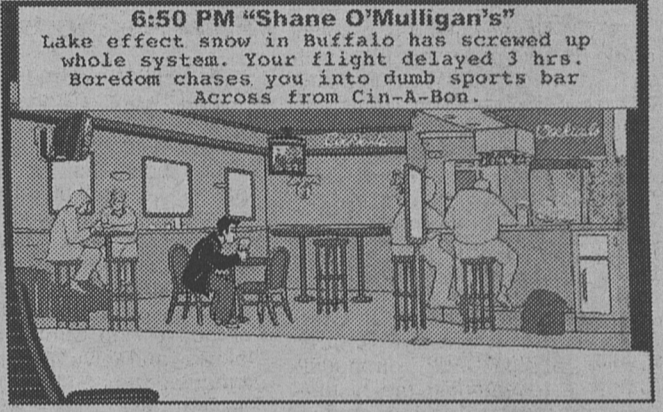

by Eric Orner

**5:15 PM Wednesday**  
Main Concourse  
Low battery  
Unpacked charger... Smiles!  
You're marooned on Home-for-the-holidays-Island til Sunday night.

**5:38 PM Gate Security:**  
Some jerk has apparently stolen your Kenneth Coles from the conveyor belt. Left you with a really embarrassing pair of saddle shoes instead.

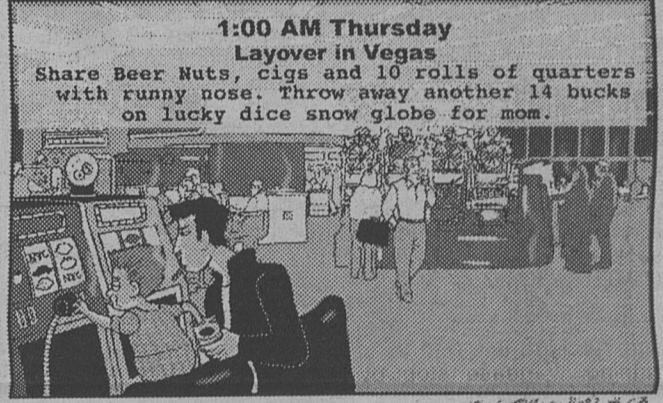

**6:50 PM "Shane O'Mulligan's"**  
Lake effect snow in Buffalo has screwed up whole system. Your flight delayed 3 hrs. Boredom chases you into dumb sports bar Across from Cin-A-Bon.

**7:04 PM Same Coordinates:**  
Be spotted by Ex-Boyfriend, who's flight is also delayed, but who is not traveling (or drinking) alone.

**11:00PM Aisle Seat 40C**  
Toddler in 41C is kicking your seatback, Wiping runny nose in your hair.

**1:00 AM Thursday**  
Layover in Vegas  
Share Beer Nuts, cigs and 10 rolls of quarters with runny nose. Throw away another 14 bucks on lucky dice snow globe for mom.

A Pain

**We** were on a camping trip,  
I have pain here - here - and in my chest - here - y'know, my great uncle once removed died of a heart attack - of course he was 92 - or it could be a tumor - do you think I'm doomed? - Oh god - if I live through this day I swear I'll live through eat right and tofu and oatmeal Carrots

when Camille felt a pain.

**What the doctor said...**  
It's not your heart. You have a non-threatening inflammation of the chest. Take these pills and relax your worried mind.

Tylenol  
where all this started

**...What the patient heard**  
This could very well be a heart problem. Given your age, family history, and impressively high educational level, you should take it easy, do no lifting, driving, setting up or taking down plenty of tents. Get yourself exerted of sex, but don't too much boyfriend pleasuring your placebos. and oh, here're some,

**We** staggered on.  
so it looks like I might make it but maybe I should get another opinion. Hey, did you notice how dirty that hospital parking lot was. could you reach back and get the coffee thermos? Oh, look! Two 3/4 pounders with yellow cheese for 95¢! I know I'm feeling
