This hour-long documentary is a frank exploration of what it means to grow up with gay or lesbian parents. It follows the highs and lows of children ages 9-23 from 5 very different families.

This event is made possible in part by a Unity grant from the Samara Foundation. A viewer's guide is available online at

Terje (pronounced "Terry") serves as a member of the Advisory Committee on HIV and STD Prevention and Treatment for the federal government. He has in the past been AIDS Program Chief at the Vermont Department of Health, and was the first Executive Director of Vermont CARES.

The program will conclude with the reading of the names of loved ones from our community who have died from AIDS in the last 16 years. Lunch will be served free of charge after the program, around noon.
