## Other

Gay male couple wishes to biologically father child with surrogate mother or seeks Co-Parenting arrangement with single woman or lesbian couple. With my lover's support (he is 53yrs and has two biological daughters), I (40) wish to father a child with surrogate mother. We pay medical expenses to caring, well-adjusted surrogate mother who then relinquishes all involvement with child after birth or Co-Parenting arrangement with single woman or lesbian couple. Due to the complex nature of this arrangement, and to help navigate these complexities we request a pre-insemination discussion and a written contract stating all details explicitly. Please email us at: [fatherachild-withgaycouple@yahoo.com](mailto:fatherachild-withgaycouple@yahoo.com). Thank you for your honesty and compassion.
