Mountain Pride Media thinks you're just SWELL!

The following organizations have, largely through cash donations, made 2004 and 2005 possible for this project. We thank you dearly from the bottom of our hearts and on behalf of those whose voices we all-too-often times do not hear, our closeted Brothers and Sisters.

Barony of All Vermont, Concept II, Cover To Cover, Healthy Living, Kimbell Sherman & Ellis, ORC Property Management, Physician's Computer Company, Samadhi Singers, Samara Foundation of Vermont, Upstairs Antiques, Vermont Community Foundation, Vermont Design Works, Vermont Modular Homes.

A very special thanks goes out to our Assistant Editor, **Susan McMillan** who volunteers her time and who most recently went above and beyond in filling in on proofing day for our esteemed Editor while she was away. Thank you, Susan!
