

We need your support!

With your financial support, Mountain Pride Media can continue to be a resource to the Vermont GLBT Community.

The *Out in the Mountains* Archives can be kept online for years to come, chronicling our history and our people, with your donations. There are also closing costs that we will be incurring in the next few months.

As we wrap things up and properly archive the office, your contribution will make this happen. As we hear more from our community, there will be new ways to explore how to best represent the voice of GLBT Vermonters.

— Thank you for your support!

Are you an OITM subscriber?

As a subscriber, you may still have many months of your OITM subscription remaining. If you would like to make the remainder of your subscription a tax-deductible donation, please complete the form below or the envelope included with this issue. MPM will incur closing costs over the next few months; your contribution of your remaining balance could help make sure things wrap up smoothly and our archives are properly maintained.

If you would like for us to refund the balance of your subscription, please complete the form below or the envelope that is with this issue. If you require a refund, we need to hear from you by December 31, please.

- A: I (we) will be attending *Out in the Mountain's* Celebration of 21 Years (see the December/January issue for details).
- B: I (we) would like to continue to support OITM. Our check payable to Mountain Pride Media, Inc. is enclosed.
- C: Please consider the remaining balance of my (our) subscription to OITM as a tax deductible donation to MPM.
- D: Please calculate the remaining balance of my (our) subscription to OITM and refund the balance.
