Mr. Collins M. Graves
Bennington

Dear Sir:-

Replying to your favor of the 18th, the idea I wished to convey was that you and Mr. Haley and Mr. Spargo would perhaps form a delegation to call collectively upon the Governor, and could arrange a time that would be convenient for you all.

Thank you for your interest and cooperation, and I trust you may be able to fix on any early date as the time is becoming short.

Yours very truly,

Chairman of Ratification
