

Stratford, Vt. Oct. 30. 1876

Pres. Buckham,

Burlington, Vt.

My dear Sir: Thanks for your favor of the 26th inst. I note all you say. I had hoped we might make arrangements without further legislation but I have not our charter here and it may be impracticable. I see that they expect to have a separate affair and hold a place along side of us like the Yale Scientific School at New Haven or like the Agricultural College at Hanover, and then avail
