

Dunville February 4th 1859

Dear Uncle & Aunt

we arrived

at home Thursday night. Field and his family came from Craftsberry with us staid in the place till the next week Saturday since which time I have been trying to work get along pretty well feel better than I did before we went to your place

Lizze got no worse from coming home & she is pretty well excepting a slight cold I have chopped the meat you gave me there was a nice pan of it, for which I am very thankful
