De Parents

Here in the
Office my mind wanders back
to the preside of my Childhood
when I see my early instructor

I am well and hope these
few lines will find you the
same you wanted to know
when I should be home I
cant tell Mrs Shattuck has

been getting married about one
month ago and does not stay
in the store hardly any and
I have every thing to see to
Mrs Stranahan does not know
anything about the business and
it all devolves on me

I may get away about the
first of Aug for a day or two
Cant tell now have worked
very hard for one month
have not had but one boy
to help me but shall have
two now
