I have sold all but 8 Tubs  
of the last shipment of Sugar  
and these remaining will  
hang fire I guess for they  
are rather brown But will  
come out on them all whole  
if possible How much  
money is any Shall I  
pay to Edward send me  
order to pay the amount  
you may desire so I  
may know what to do. I  
have been waiting to hear  
from you and expected to  
get a letter to day but did  
not. I think I've all the sugar  
that I can handle this season  
as it is late most are supplied
