My Dear Sister

I have been waiting very impatiently for a number of days to hear from either you or Lewis but as I have not I will drop a line and inquire whether Lewis has sent the sugar or not if so direct he direct - to me or the office I hope it is on the road for it will all well just now

Our little girl is better than when I wrote before although she is not yet out of danger the neighbors all that we would loose her and have it - not have been that - Billie was one of
