Dear children

heard from Edward I will  
I send the postal I rec. as for  
myself my cold is all gone  
I am more like myself than  
when you was home Georges  
boy has been very sick since  
you was here but is getting better  
the relatives are all well  
to day is a very stormy day for  
the 1 day of Feb we are anxious  
for snow Bentley has not hauld

I was glad you got home so  
nicely I hope this will stimulate
