

Jeffersonville Vermont.

May 31st 1882

To Mattie Smith

I thought I would trouble you by writing and telling you about our walk. all the scholars ~~that~~ and the teacher went we had splendid time and we all had to write to some one and tell them ~~about~~ about our walk

We went up to the picnic grounds + we went two by two if you do not know where that is you will have to ask Carlie and if he cant think you tell him it is where we went where we went
