Dear daughter
your kind letter of Feb 11
came to hand the 25 of the
same month glad to hear
you are all well and that you
are taking a little rest & am
shure you are very much in
need of this great restorean
& have just rec letters from
Ed and M saying they
enjoy the best of health
& says the winter has been
very cold but the crops look
well & dont think they will
freeze if they have plenty of
warm clothing
