

Fargo Dak. May 5.

Friend Katie

I now take the opportunity
of writing you a few lines
to let you know where I am.
Don't suppose you care but
I am going to write just the
same if I have no objections.
I landed here last Thursday
night - came as far as Chicago
with Fred Powell. Came near
getting lost - had to change cars
six times on the way.

I meant to have seen you and
of the other Cambridge folks
before leaving but did not
know three days before I left
that I was coming here
and besides you looked so
cross the last time I saw you
