Sunday eve Dec 20

Dear Eaton,

I received yours last night at about half past 8; Carrie attended the Exhibition of the "Journey around the world" last eve, I've just been reading your letter to Rhett he says you did not say Re in it - See if you can find a pair of cork soles for him some slippers number 10 I think you can tell by the looks if you do not come home this week send them down by mail at your earliest opportunity, do just as you like about coming I expect a family will move into the other
