Friday evening 7 o'clock

Dear Fannie!

Have just got the babies
to sleep and Carrie is down to
be singing papa on the lounge
eating apples so I will spend a
few minutes talking with you.
Robert is better but he cannot keep
still he twitches very badly, I think
worse than Carrie ever did, but Dr
says he will get over it - he says
it may be two or three months
There does not seem to be a
very great gathering at the Oyster
supper to night - it is at the church
Next Mrs Melendy has returned
home he was up here last night
Which way do you go for your
