

[May]
[ca 1886-?]

Katie you are probably expecting
some money this morning but
papa will finish working on
the road to night - and then
he will get an order for his
lumber & work about \$45
or so and then we will
see to your wants I have
got lots to do to day so
you must excuse me Ida
has finished her washing
so I must commence mine

hastily
Marina

Saturday morning
7 o'clock
