Sunday night

Dear Katie,

I do not know if I owe
you a letter or not but will write
Miss Barton came yesterday on
the half past 10 o'clock train, she
and Carrie are at prayer meeting,
I went this afternoon the reason
I did not write you Friday night
was I did not have time for I
had to make Beth a pair
of pants and I was so tired
I could not write I have worked
very hard cleaning and am no
where near done yet but the
kitchen looks better,
Pell is going to teach in
