I thought - papa  
would go to G - to day  
but - can't - are going to  
have thrashers to - morrow  
will come at - the - earliest  
opportunity, called at  
G - last - eve; every  
thing is cool, luck  
is always with - you  
don't - get - nervous  
for you can't do  
yourself justice if  
you do

In haste
