Dearest Sister -

I am going to write to you if you will answer it when you write to Mamma I go to school I like our teacher ever so much but she is very strick with them all. Nellie goes to school and so does Katie & Eroy.

We have about 40 scholars in all I guess I want Brans Physicall our real bad but will half to wait till I get the book I suppose. Winnie Myra & Edie study it besides my-self Miss C. though it ^{is not} best for me not to study History of Vt she said it was for an older scholar wish I did study
