

Friday Afternoon Sept 17th 86

Dear Katie:

Have just finished up the work after dinner and think I will talk with you for a few minutes for I shall ^{have} more time now than by & by
Bees yours this morning are glad that you fare better and hope for improve^{nt}
The boys are washing dollies clothes
Rehett came home from school last night with a little cold and some fuss, so I gave him a dose of oil and consequently is not at school today
Carrie had company last night and night before last night before
