Dear Sister -

As I sit here
at school I think I guess Katie
would like to have me write to
her I don't think it will be
very interesting though Robert
is better I really think. How
ever so much pleased when he
opened your package I went
to Waterville last ^{Wed} day
night had a very nice time
we were there to supper to
Mr Miles. I want to study hist
ory of United States Birds yet
they have just formed a class
