Fri. Sat. Night.

Dear Papa:-

I have asked
Mrs. T. to night about
my board, and she to my
sorrow, says she cannot
wait, for she had to hire
the money for her rents
and this money she has
got to have to pay that
back. I am sorry it has
happened so, and I would
have asked her before
but there was not a
doubt in my mind
but what she could
wait.
